Position and Responsibilities

Job Title: Staff Pharmacist

Salary: Commensurate with education and experience

Part Time: We are open Wednesdays and Saturdays excluding holidays and special local events dates. Hours are 9am -2pm, occasionally finishing prescriptions after closing. We are looking for a pharmacist who wants to supplement their income by picking up a few shifts per month.

Report to: Pharmacy Manager, and non-clinical/administrative work overseen by the Executive Director

Job Summary: The Guadalupe Free Clinic is a member of the Virginia Association of Free and Charitable Clinics. We are a diocesan Free Clinic in The Arlington Diocese and uphold Catholic health principles. The clinic provides prescription and non-prescription medication, as well as diabetic supplies for our patients. All medication is provided free of charge. The pharmacy has a drug formulary for providers to prescribe from; to treat infections, diabetes, high blood pressure, depression, high cholesterol, asthma, copd, and other common illnesses. The Guadalupe Free Clinic does not carry controlled substances or narcotics.

Job Duties:

- Dispensing medications and related supplies according to prescriptions written by Guadalupe Free Clinic Practitioners.
- Review prescriptions for accuracy and checks for drug interactions.
- Review patients charts and make recommendations for drug therapy changes as appropriate.
- Utilize the RX30 pharmacy system to fill prescriptions. **(We have a FT pharmacy technician who can run and teach RX30 operations)**
- Maintain a valid Virginia Pharmacist license (May use pharmacist license from other state with waiver from Virginia Board of Health Professions)
- Manages pharmacy inventory by placing/receiving orders as needed.
